

# Pressure-Compensating Bubble Spray Faucet Aerators

## OVERVIEW

Niagara Conservation Pressure-Compensating Bubble-Spray Aerators, available in 1.0 GPM, 1.25 GPM, 1.5 GPM, and 1.75 GPM models, deliver a smooth, splash-free stream while significantly reducing water and energy use. Designed to fit most standard bath and kitchen faucets, their dual-threaded construction supports both male and female applications for maximum versatility. With their integrated Equiforce® Technology these aerators maintain a consistent flow and feel, even in homes with lower water pressures—ensuring comfort and performance while saving water and energy.

## FEATURES

- Smooth Bubble Spray Stream**  
 Provides a gentle yet effective flow ideal for everyday washing tasks, while minimizing splashing.
- Consistent, Comfortable Flow**  
 Patented Equiforce® Technology ensures a steady stream and performance across varying water pressures.
- Dual-Threaded for Universal Fit**  
 Compatible with most faucet types—male (15/16-27) and female (55/64-27).

## ORDERING INFORMATION
