

SCRT-320 Product Overview

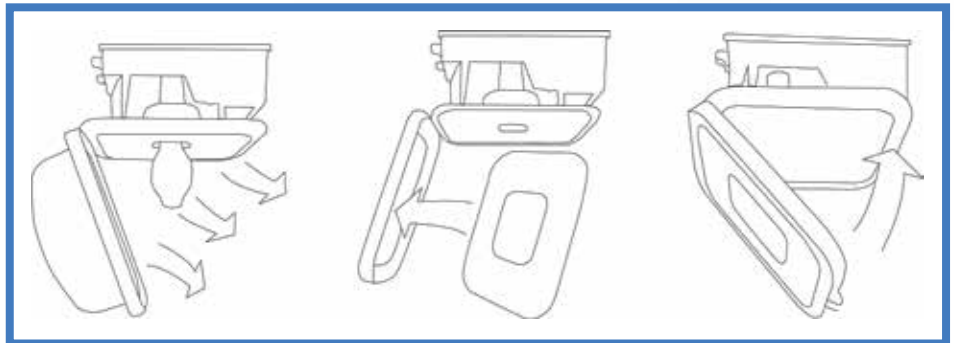

SCRT-320 Petroleum Canopy LED Retrofit Kit – LSI Scottsdale* Retrofit

The Jarvis SCRT-320 is the industry's most advanced LED retrofit kit for the LSI Scottsdale* fixture. This retrofit kit is the only retrofit that replaces the existing fixture's entire optical unit while maintaining the existing fixture's mechanicals.

KEY FEATURES:

- Sealed optical unit replaces old glass lens.
- Existing fixture is left in place with no re-piping of conduit required.
- 14,000 lumens creates a bright, crisp appearance.
- 10 year warranty.
- Product is manufactured in the US of US and Imported Parts.
