NIAGARA CONSERVATION

TOILET TANK BANK™

Our Niagara Conservation branded Toilet Tank Bank™ is an easy-to-use, quick-to-install water saving device that clips onto the inside of the tank wall. With a patented air lock and fill valve, the Tank Bank™ eliminates water evaporation and odors and doesn't require maintenance.

THE FEATURES

- Easy to use - fill to top, snap to close and hang in toilet
- Every flush saves up to 0.8 gallons per flush
- Constructed of non-corrosive materials that resist microbes and fungal growth
- Anti-evaporation snap-lock means the bag never needs refilling and prevents odors
